Amendment to Budget Bill Item 7350-001-0223, Support, Department of Industrial Relations

It is requested that Item 7350-001-0223 be increased by \$14,710,000 and 73 positions to implement and meet the ongoing requirements of Chapter 868, Statutes of 2016 (SB 1160) and Chapter 852, Statutes of 2016 (AB 1244). These bills, among other things, require the Department of Industrial Relations to establish and maintain a database to receive and store utilization review plans, implement anti-fraud measures in the filing and collection of medical treatment liens, and create a new adjudication, stay, and suspension due process for dealing with convicted and indicted providers that have medical liens within the worker's compensation system.

The effect of my requested action is reflected on the attachment.

If you have any questions or need additional information regarding this matter, please call Eric Stern, Assistant Program Budget Manager, at (916) 445-3274.
